

GJSO COVID 19 POLICY

IMPORTANT UPDATE

Dear GJSO Patrons and Guests,

The Grand Junction Symphony Orchestra's top priority is to keep its patrons, guests, employees, and volunteers safe at all concerts and events as we come together to share our love of live music. These new policies below are currently being used by the majority of performing arts organizations nationwide.

Because of the continued rise in COVID cases in Mesa County, the GJSO has updated in its COVID Policy to the following effective December 10th, 2021. Attendees should expect to adhere to the following guidelines until further notice when attending GJSO concerts and events for the remainder of the 21/22 season:

Policy General:

- All audience members and event guests must provide proof of COVID-19 vaccine before attending all GJSO concerts and events. This includes our partner organizations, the Grand Junction Symphony Guild, Western Colorado Jazz Orchestra, Western Colorado Chorale, etc. The policy reflects all GJSO venues including the Avalon Theatre, Love Recital Hall (CMU), and other indoor venues except for the Warehouse 2565 Bar and Grill.
- All audience members and event guests, regardless of vaccination status, are also required to always wear masks during performances, and other GJSO events, especially when talking or moving about indoors. Masks may only be removed when actively eating or drinking.

What do we need to do? Before You Go to a GJSO Concert or Event:

- When you arrive, be prepared with one of the following options that matches a government issued photo I.D.:
- A physical copy of a WHO (World Health Organization) or FDA-approved COVID-19 Vaccination Record Card
- A high-resolution photograph of the front and back of your WHO/FDA-approved COVID-19 Vaccination Record Card on a smart phone or a printed copy.
- Proof of your vaccination card on the [MyColorado App](#). Setup and authentication is required — [download](#) before you go!

Pre-screen proof of vaccination before the concert or event. Prior to any GJSO concert or event, you may bring your proof of vaccination to the GJSO office and be put on a pre-screened vaccination will-call list. This will help save time when you arrive at the performance or event.

Policy Details

- All patrons 12+ must be fully vaccinated by the date of performance or event and show proof of vaccination upon arrival. “Full vaccination” means the performance date must be at least 14 days after the second dose of a two-dose COVID-19 vaccine, or at least 14 days after a single-dose COVID-19 vaccine.
- For all individuals ages 5 and older, face coverings (masks) will be required indoors regardless of vaccination status except when actively eating or drinking in lobby spaces.

Ticketing Policy

- In recognition of the changing uncertainty created by the current health situation, we have reviewed our ticket policies to ensure we are as flexible and accommodating as possible if you cannot attend a GJSO performance or event.
