

SELF-GUIDED TOUR INFO

Sat, June 11 & Sun, June 12 | 10AM - 2PM

- **Usage of a navigational system such as Google Maps, Apple Maps, or MapQuest is recommended. Please observe traffic laws, and plan your tour of the gardens accordingly.**
- **Please keep in mind that the gardens are at private residences, and therefore will not have restrooms available for public usage. Be sure to make arrangements for potty breaks at many of the wonderful cafes, coffee shops, and restaurants along the tour route.**
- **Street parking is required at each residence. Please refrain from parking in the driveways of private residences to allow homeowners to enter/exit as they need.**
- **Most gardens are handicap accessible. Please review the garden notes for each property to ascertain any that are not.**
