## Benefits of Advertising in the Grand Junction Symphony Orchestra Program Book:

1. Get your business in front of Western CO locals with **excellent taste and disposable income**.
2. Your ad will be displayed through all the program books - 2 per year for 13 concerts. Many times, concert-goers hold on to their programs for many months (even years) after the concert.
3. The majority of Symphony patrons are in the 50+ age demographic, however, GJSO is constantly reaching out to and attracting young, affluent professionals. And we've seen a consistent increase in the number of young people and families attending concerts.
4. Advertising in the GJSO program book means you are supporting the arts in the Grand Valley. GJSO prides itself in the number of community programs we provide, including school outreach programs. **Help us to keep the arts alive in our community!**
